

Lancaster/Lebanon Reading Council invites you to...

Michelle Trasborg's Presentation on Learning and the Brain

Workshop participants will gain a greater understanding of how the brain works to maximize student achievement. We will examine the role of fear, dopamine, motivation, and praise. Participants will walk away with specific ideas to use in the classroom and in the home.

Date: Thursday, November 2nd
Time: 5:00-7:00 p.m.

Location: Thorn Hill, Wine & Tasting Room
1945 Fruitville Pike, Lancaster, PA 17601

Act 48 Credits Available – Earn 2 hours

Enjoy an informative presentation about learning and the brain with appetizers and wine tasting!
